MORNING MEETING ACTION ITEM

TO: Legislative Counsel

Maury noted that he did not accompany the Director yesterday for his appearance before the Senate Foreign Relations Committee but that he gained some insight by being present in Carl Marcy's office at the time of the briefing. He mentioned that some follow-up action is required and that the DD/S&T and Bruce Clarke are at work on these items. He summarized the President's directive to the Director on future ground rules with respect to our relationships with the Hill. Executive Director asked Maury to commit these ground rules to writing and to circulate them to the appropriate offices.
